Muzgola project (Chigwere Secondary School): letter of intent for financial support

To whom it may concern

GRACE charity has decided to **support the building of a teacher office** at Chigwere Secondary School (so called: Muzgola project) up to the total of **Malawi Kwacha 2 Million (2'000.000, -)**.

Cash to purchase the building materials will be available at time of return of Bernhard Schwarz to Malawi (mid August). He is going to accomplish the transport from Mzuzu to Chigwere as well.

As starting point of this public-private-partnership GRACE charity is very much looking forward to see your success at Chigwere Secondary School. Good luck!

Written on behalf of the GRACE managing committee.
Yours sincerely

Dr. Jens Diedrich
President GRACE charity
