---

Dear Sir,

### **A TOKEN OF APPRECIATION**

I would like to extend a heart-felt thank you for your commitment to support through my academic achievements.

I truly appreciate you taking the time to reach out and help students like me so that we can progress in education. I am glad to have an opportunity to thank you personally for your generosity. Without scholarship patrons like you, there would be many students such as myself unable to pursue the career they have dreamed of. Thank you for making it financially easier for me to go to school and continue my education at a steady pace. This allows me to focus on my academic courses throughout the semester without dealing with financial strain that may have caused difficulty in maintaining my course credits.

I am honored to be given the scholarship. Thanks to your generous support. I am the first in my family to attend college and prospective first degree in the whole community. Growing up in such less privileged community has not only offered financial and academic challenges, but it has more importantly made me realize the value of a college education

My future is not just the passion to pursue a career but more importantly give back to the community.

Lastly I know that my hard work and dedication will pay off because of people like you. You have given me hope to keep going and never give up because hard work does pay off in the end. You have given me the opportunity to complete education and reach my goal in life. My gratitude goes far beyond words to everybody and I greatly appreciate your assistance towards my education. I would like also to extend my heartfelt thanks to Dr. Jens Diedrich for your personal assistant, interest and advises rendered to me. Mr. Daniel Mthuti I also thank you for your interest as well as the entire CDC committee you are truly appreciated. Thank you again for your generosity and support.

Yours Sincerely,

KELVIN MSISKA.
