Chipunga on 23rd of February 2012

Dear Friends of Chipunga in Germany,

Application for support

we thank you for your willingness to support us. We had a meeting with all workers on 23rd of February 2012. We discussed our needs and we come up with the following major items for which we would like you to consider to help and support us. There were:

- 1) Fertilizer
- 2) Seed maize
- 3) Dinning sets from ARR plastics
- 4) First aid box and drugs
- 5) Mattresses

For all of the items we have discussed point by point and agreed that there is always a contribution from our side which should be around 25% and 50% for fertilizer and maize seed in kind. We have proposed things for the budget of 2012-2013 in time.

Again we want to thank you very much for your support and we will make every effort to make the best use of your help.

May God reward you for your generous assistance. We greet you from Chipunga.

Yours sincerely

CDC chairperson Mr. Daniel Mthuti for all workers
